

Course K *Church Revitalization and Growth (Zoom Class)*

Lecturer Professor Pierre-Alain Giffard

Description

This course delves into the art of revitalizing and growing churches, equipping participants with a thorough understanding of key concepts such as the Church's mission, successful case studies of thriving churches, and their common practices. Students will also learn how to develop a tailored plan for revitalization and growth.

Course notes and other materials will be distributed by Professor Giffard directly to the course participants. More information will be available on the first night of the course.
